- I I believe in the power of rock'n'roll
I believe that Exxon can save my soul
- II They pull your strings,
you just don't know it
they pull mine too,
but I try not to show it
- III I don't know what to say
when you take your light away
I try to do my very best
and to disregard the rest
- IV When you leave what can you do?
When you dream what do you see?
I'm afraid it's just too new
can you live as fast as me?

Repeat Chorus I - II

I got my baby on a chain
because it helps to ease the pain
occam'b razor cuts so deep
it's the one thing I can keep

Repeat Chorus IV - I - II - III - IV
