

Information Society, Ozar Midrashim 1.1

From the distance I can see a huge holographic Ronald McDonald walking between grain elevators.
Boy, if I had the money I had have make one of those me and than set myself to stalk the landscape.
You see, 'cause I've got this sort of feeling. Beacause, beacause I have spikes.
Because I go between the zones, even when I'm not supossed to.
Becasue I'm a supecious persone report.
And its time to go shopping.
