

Initial Roxanne, Who are you

1. They oppress me question again,
that beguile not know think.

I know about something,
heart does not want to know that.
It truth everything? You be able to love,
do there be this indifferent ?

What are you?

You know only though not necessarily.

Ref: I sit on manor, dark sky over me.

I speculate still though I do not what I want.

My hair dispels wind , but thoughts oppress painfully.

I don't sleep because really, I don't know be .

2. Dawn is closer more but I can not sleep still .

I speculate about you. Is what in your heart?

Sits what in your head? Stars on sky extinguishing ,
as my estimate for you.

Sentry love? I believe, that you are other, I believe, that you are good.

Chourse: I would not like depart to oblivion .

Because you have made many for I far too ,
though you do not know about even it.

I want to apprehend that helps and ease genuine .

There you help me, you have added courage.

You have showed, that young person is able many so.
