

Inna, Feeling For You

Everybody fall in love and then falls down
And I'm feeling so high, I'm feeling so high
For you ...

Everybody fall in love and then falls down
And I'm feeling so high, I'm feeling for you
Boy I'm feeling for you

Don't let the music die
Don't have to feel alone

You have to learn to say

Will be OK tomorrow

Don't let the music die

Don't have to feel alone

I got love and many reasons to love

Reasons to love

Every step that I take brings you closer

In my dream, in my dream, in my dream

Every step that I take brings you closer

In my dream, in my dream, in my dream x2

Don't let the music die

Don't have to feel alone

You have to learn to say

Will be OK tomorrow

Don't let the music die

Don't have to feel alone

I got love and many reasons to love
