

# Inna, Hello Hello (MELON x Dance Fruits Music)

Hello, hello

Just you, just you and me exposed  
Deeper than you could ever know  
I guess I'm not what you prefer  
Jealous, don't know what you see in her

Hello, hello, can't you see that I'm the one you should be chasing?  
I'm the one you should be thinking of  
Hello, hello, can't you see I love you right?  
I'll treat you good, I'll do you right  
Nobody else loves  
Hello, hello, can't you see that I'm the one you should be chasing?  
I'm the one you should be thinking of  
Hello, hello, can't you see I love you right?  
I'll treat you good, I'll do you right  
Nobody else loves  
Nobody else loves  
Hello, hello

I feel what you don't feel for me  
Hearts beating, but they never meet  
Tell me, are you crazy? Are you blind?  
'Cause you're lost but I'm losing my mind

Hello, hello, can't you see that I'm the one you should be chasing?  
I'm the one you should be thinking of  
Hello, hello, can't you see I love you right?  
I'll treat you good, I'll do you right  
Nobody else loves  
Hello, hello, can't you see that I'm the one you should be chasing?  
I'm the one you should be thinking of  
Hello, hello, can't you see I love you right?  
I'll treat you good, I'll do you right  
Nobody else loves

Hello, hello, hello, hello  
Hello, hello, hello, hello  
Hello, hello, can't you see I love you right?  
I'll treat you good, I'll do you right  
Nobody else loves

Hello, hello, can't you see that I'm the one you should be chasing?  
I'm the one you should be thinking of  
Hello, hello, can't you see I love you right?  
I'll treat you good, I'll do you right  
Nobody else loves  
Hello, hello  
Hello, hello
