

Inna, Love Me

I don't need a bad boy, no no
I just need a good guy to love me more
More and more and more and more and more
Are you the one?
'Cause I'm okay on my own, ah yeah yeah
Then being with someone that's not o-on
I need a guy to love me more and more
Are you the one?

Are you the o-o-o-o-o-one?
Baby, are you the o-o-one, baby?
So let's get down, down, down baby
Are you the o-o-one?
Tell me would you...

Love me, love me
Don't you tease me
Love me, love me
Give me something right, right
Oceans of nirvana night
Love me, love me
Don't you tease me
Love me, love me
Give me something right, right
Oceans of nirvana night

Oceans of nirvana night
Oceans of nirvana night

Would you be my safe place, my home?
Would you be my shoulder to cry on?
'Cause I need someone to love me more and more
Are you the one?
Right now I need security, sincerity
That real true love covered in transparency, so
Would you love me more and more?
Are you the one?

Are you the o-o-o-o-o-one?
Baby, are you the o-o-one, baby?
So let's get down, down, down baby
Are you the o-o-one?
Tell me would you...

Love me, love me
Don't you tease me
Love me, love me
Give me something right, right
Oceans of nirvana night
Love me, love me
Don't you tease me
Love me, love me
Give me something right, right
Oceans of nirvana night

Oceans of nirvana night
Oceans of nirvana night
