So why are you acting like a bloody fool, if you get hot then you must get cool!

(CHORUS)

You chuck it on that one, ya chuck it on this one.
You chuck it on ya mother and ya chuck it on ya father.
You chuck it on ya brother and ya chuck it on ya sister.
And you chuck it on that one and ya chuck it on ME!

Nobody naw give you no break, Police naw give you no break
Soldier naw give you no break, Not even you idren naw give you no break
Hehe

(CHORUS x2)

Why did you have to act so mean. Don't you know you're human being
Born from a mother with the love from a father, reflections come and reflections go
I know sometimes you want to let go
Hehehe
I know sometimes you want to let go

(CHORUS x2)

(You're too bad, you're too rude)

(You're too bad, you're too rude)

(CHORUS x2)

You chuck it on that one, ya chuck it on this one.
You chuck it on ya mother and ya chuck it on ya father.
You chuck it on ya brother and ya chuck it on ya sister.
And you chuck it on that one and ya chuck it on ME!

(CHORUS - repeated until end)
