

# Inner Circle, REGGAE DANCER

I know a reggae dancer  
From Kingston Jamaica

She knows how to bump  
Knows how to grind this little girl  
she ruft all the time  
she knows how to sing she don't  
Drink gin, knock three times  
She'll let you into her world  
Of sweet reggae music

This irie crisp sister  
This ruft reggae dancer  
her musical magic  
Just got to have it

Better get ready to hold on steady  
Don't distress it just respect it  
Gone too far to turn back now  
You made the right move you're in the groove  
In her world of sweet reggae music
