

# Inner Circle, WALKING ON A RAINBOW Album

I'm walkin' on a  
Rainbow on the colours  
Of the ites green and gold  
Of the ites green and gold

Up here it's so beautiful  
If only you could see  
Only then you would understand  
Why we should walk with  
Love in our hearts

Red is for the blood of freedom  
Green is for the land we live in  
Gold is for the sun that shines  
It keep our energy  
Flowing all the time

When one door is closed  
Another one open  
Cause that's the way Jah Jah plan it  
For all of us to live as one
