Inoue Joe, Gravity

I don't wanna call you
Because I used to call you everyday and night
I don't want to love you
Because I wouldn't be able to do anything on my own
Gravity starts to pull me down a little
I caught my breath and headed towards the middle
She doesn't seek dependency
She doesn't want to fall the day she leaves me
The more I devote myself to you
The more my own identity will be gone
I don't want to miss you
That's why I refuse to care about you any more
I wish I could just kill you
That way we can be together forever
Gravity starts to pull me down a little
I caught my breath and headed towards the middle
She doesn't seek dependency
She doesn't want to fall the day she leaves me
The more I devote myself to you
The more my own identity will be gone
Stare into your eyes and I see
Direct reflection of myself
All being said
I lie in bed
I'll do this all on my own
I don't wanna call you
Because I used to call you everyday and night
I don't wanna call you
I don't wanna call you
