

# Insane Clown Posse, C.P.K.S

[Violent Jay]

I walked into the church, dressed up as an alter boy  
I seen a preacher, he said little boy im a teach ya  
Put his hand up on my shoulder, felt the claw of the beast  
I never thought it'd be so fucking easy murderin a priest  
We went into the confession booth, he took off his cloths  
Cut some yay right on his bible top and ooted his nose  
I jammed the butchers knife 12 inches into his gut  
He looked my right into my eyes while i was yanking it up  
PREACHA KILLAS

[Chorus]

Crooked Preacha Killas (stop it)  
Crooked Preacha Killas(i gotta bloody him up)  
Crooked Preacha Killas(stop it)  
Crooked Preacha Killas

[Shaggy 2 Dope]

I walked into the sermen, strapped with an iron crowbar  
I beat a nun into a bloody stew in the trunk of my car  
How the fuck she got fake tities and a pussy ring?  
BULLSHIT!!  
She sucked the preachers dick in the pul pit  
I know the girl its on  
Ive witnessed it while pushing my mop  
And blood gushin dont stop, when my hatchet go chop
