Why dont you go into the next room and start getting undressed? What's your pleasure?

[1st Verse- Violent J] Fat Sweaty Betty, the bitch ain't nothing new Her moms used to babysit me back when we was two We'd go to the playground and to the skating rink And we'd go under the bleachers and she'd let me hit the stank, well uh She moved across town and never came back Until the other day, I seen her at the Chicken Shack She said her name was Betty, I can't believe this shit The sexy little girl is now a fat sweaty beeitch She said, "Hey, J, tell me how you've been?" She had a piece of chicken gizzard stuck to her chin I told her, &guot; Hold still, &guot; and flicked it off her face and said, " Betty, oh, Betty, what you say we leave this place? " I took her back to the crib and hit it all night I let my fingers run across the rip of cellulite EWW! It was nasty, but I don't let it bother me She rolled over, fucking knocked the wind out of me I couldn't breathe, she wouldn't stop, I'm almost dead I took the lamp, and bust it on her fucking head We got dressed, I gave her a little kiss goodbye Fat Sweaty Betty, My fat sweaty pumpkin pie

[Chorus]
Fat Sweaty Betty
Tell me when you're ready [x2]
