Woboogawoo WAAA!! Welcome to the house of horrors
You born in a barn? Shut the f**kin door
You see, damn, cause I'm about to scare you
...Okay now I dare you
Close your eyes, open up your mouth, and count to ten
Don't wanna, huh, cause you know my nuts are going in
I'm twisted, I'll cut your finger off,
and stick it in your butt
...and glue it shut
This is when I get crazy, lemme show you something
...You know what that means, it don't mean nothin, haha
But it scares you cause people don't be doing that shit
But me...bitch...I'm all about it...
Guess what I'm a serial killer, it's a bad habit
I killed Tony, Lucky Charms, and the Silly Rabbit,
Cut the lights, see that shit, I'm glowing
Alright, I'm done, cut em back on, wait, where you going?
Welcome to the house of horrors

(Shaggy 2 Dope)

Some rock and roll ninja bit the head off a rat
Let's march in his concert and chant him to hell
Cause he's so f**kin TERRIBLE!
Meanwhile his record sells double and triple
Cause of you whinin bout him rubbin his nipple
Religious? Shit, you helped them bands
Instead of helpin them poor people
eatin outta them garbage cans
When your done with that bitch come protest me
Shiiiiit motherf**ka I could use the money
The whole world was cryin when Kurt went kabang
When Eazy-E died no it wasn't no thang
Rapper dies of AIDS but you hardly mention

Fashion of the 2000s and beyond

Voodoo, chicken and magical wands

"Let's meet contestant number one. He's a skitsofrantic, serial killer clown, who says, "w
Let's find out if his charm will work on Sharon. Sharon, what's your question?"

"Contestant number one, I believe first impressions last forever. So let's say you were to come

(Violent J)
Let's see, hmm, well, I'd have to think about it
I might show up in a tux, HA!, but I doubt it
I'd probably just show up naked like I always do
And lick your momma in the eye and tell her, "F**K YOU!!!"
Hurry up bitch, I'm hungry, I smell spaghetti
I'd pinch her loopy ass and tell her, "Get the food ready!"
Your dad will probably start tripping and get me pissed

I'd have to walk up and bust him in his f**king lips!
It's dinner time, we hearing grace from your mother
I pull a forty out and pour some for your little brother
I'm steady staring at your sister, I'll tell you this
You know for only thirteen, she got some big tits
After that, your dad will try to jump again
And only this time, I'd put the forty to his chin
After you mom does the dishes and the silverware
I'd try f**k her till I nut in my underwear

(Shaggy 2 Dope)

The second little piggy, his house is made of brick
And this little piggy is a motherf**king dick
He sits on his bench and get's all the respect
But if I get a chance, I'm going straight for the neck
He walked in the room, and everybody rose
Lopped off bucket chilling underneath my clothes
First they let the piggy, now you can finally sit
But what this piggy don't know
Is he's about to get his neck wet
Now I seen the bailiff, I'm thinking what the f**k?
I can smoke this room before his hearing aid
Will pick it up
Old-ass man, I let him get away
That tired motherf**ker will probably die tomorrow anyway
Here come the piggy, it's time for my case
His eyes are blood red with a wicked looking face
He saw my joker's smile, and sentenced me to die
So I racked on the bucket, made it f**king rain pork rinds

(Chorus)

Three little piggies to make that piggy pie
There's nothing like the sound when you hear a piggy die
I might choose a gun (no!)
I might choose an ax (yes!)
The Carnival's in town, come and get your piggy snacks

My axe is my buddy, I bring him when I walk
Me and my axe will leave your head outlined in chalk
My axe is my buddy, he always makes me laugh
Me and my axe cut bigot spinal cords in half
My axe is my buddy, and when I wind him back
Me and my axe will give your forehead a buttcrack
My axe is my buddy, I never leave without him
Me and my axe will leave your neck a bloody fountain

(Chorus 2x)

Everybody everybody everybody run
Murdering murdering murdering fun
Swing swing swing
Chop chop chop
Swing swing swing
Chop chop chop

My axe is my buddy, we right the planet's wrongs
Me and my axe leave bigots dead on richie lawns
My axe is my buddy, he never makes me cry
Me and my axe will leave a divot for your eye
