

Insane Clown Posse, Like It Like That

[Violent J]

I'll ride a fucking pogo stick all over your face
With Shaggy on my shoulders adding to the weight

We like it like that, fuck you
We like it like that, so fuck yall

[Shaggy 2 Dope]

We love all hoes, skinny old hoes
Big balled hoes, we dig all those

We like it like that, fuck you
We like it like that, so fuck yall

[Violent J]

We slap rappers in the head with the mic during freestyle wars
And get thrown out the doors

[Dynamite scratched]

[Shaggy 2 Dope]

We rock our own wear, and if we don't care
About what the fuck is going on out there

We like it like that, fuck you
We like it like that, so fuck yall

Fuck you, fuck yall
Fuck you, fuck yall

[Violent J]

When the streets go quiet it means somethings wrong
I'm standing on a corner sippin on something strong

We like it like that, fuck you
We like it like that, so fuck yall

[Shaggy 2 Dope]

Channel 719 hit us with the high beam
Wicked clowns choppin em down live on the scene

We like it like that, fuck you
We like it like that, so fuck yall

[Violent J]

Sometimes my dome feels like a cherry bomb

[Shaggy 2 Dope]

I gotta pound his fucking head with a hammer to keep him calm

[Violent J]

Get him

[Shaggy 2 Dope]

We so deep underground, the devil came around
But got his tail chopped off by Shaggy the clown

We like it like that, fuck you
We like it like that, so fuck yall

Fuck you, fuck yall
Fuck you, fuck yall

[Violent J]

We livin in a fun house, walkin through mirrors and walls
The floor spins and it rains in the halls

We like it like that, fuck you
We like it like that, so fuck yall

[Shaggy 2 Dope]
Many hate us, but we the greatest
Yall just keep talkin, elevate us

We like it like that, fuck you
We like it like that, so fuck yall

[Violent J]
We human cannonballs flyin with no necks
Into brick walls scarier the show gets

[Shaggy 2 Dope]
We throw punches, hittin faces like freight trains
Guaranteed to put shit in your Hanes

We like it like that, fuck you
We like it like that, so fuck yall

Fuck you, fuck yall
