Why don't ya try these  
She ran away scared and I'm starin at her butt cheeks  
Cause I know she love me  
She wanna tease and tease n rub and dub me

Peep through her window jack off in the backyard  
Somebody pulled a jokers card  
And you know when jokers caught ya

Things you do when you's a stalker

&quot;Are you ok?&quot;

I'm gonna stalk this hoochie (hoochie coochie hoochie)  
I'm gonna stalk this hoochie (smoochie coochie hoochie)

I've been honkin for about 2 weeks  
And I ain't even got a fuckin kiss on the cheek  
She's with some fuck face  
I'm gonna put that college boy in a neck brace  
I've gotta just chill  
She loves me lots and that's for real  
That night I snuck in the back door  
With a bucket of chicken and bottle of Faygo  
Tip-toe tip-toe creepin cause I know my baby sleepin  
Snuck in the bedroom looked through aaahhh!!  
She stuck me in the eye with a broom  
.....Pulled it out  
Popped my eye back in and I can't find her  
Ran through the bedroom, ran through the living room  
Ran through the bathroom, gotta take a doo  
Now I stress, pullin out my hair  
I think I heard that bitch upstairs  
Up the steps, wicked clown, then I hear a clickin  
sound  
Honey is that you?  
How's bout a kissie smoochie poo  
Her daddy's gun to my nugget  
Never liked the bitch anyway, fuck it

&quot;What'd you do?&quot;  
&quot;I tried run but he was always right there just ahead of me.  
He would always catch me and hurt me&quot;

I think that ditso likes me yeah  
She tells you to fuck off with suck class  
I think that ditso likes me
