

Insane Clown Posse, Walk Into Thy Light

Ladies and gentleman, welcome to the sensational and amazing... Carnival of Carnage! They said it couldn't happen, they said it wouldn't last, but boys and girls and everyone we've got a carnival for that ass! Tens of thousands of freaks, sideshows, and fools, a carnival who together lives by their own rules

We looked into the stars, foretold everyone, something dark and wicked this way comes. We told of oddities, crawling from the dark, and a carnival which we can all belong. I dwell upon the streets, and I can tell you this: I see some circus, Juggalo shit going on. People drawn together, by rare and scrubby music, and we even gather once a year to PUT IT DOWN!

With tilt-a-whirls and merry goes', and carnivals of Faygo, were just trying to tell you about the light, right. Now all the Jokers Cards have fallen with spectacular array, so when the Wraith is calling, walk into the light, right.

I hold a bloody axe, dress in hatchet red, we speak languages people don't understand. I send Faygo's via punted clear across a stadium in fashion only f**kin' Juggalos could ever demand. I got ninjas in my backyard wearing Anybody Killa paint, I'm thinkin' "What the f**k is going on?" Then I see the platinum on the wall, and I realize the Carnivals been right here all along, so let's bring it on.

With tilt-a-whirls and merry goes', and carnivals of Faygo, were just trying to tell you about the light, right. Now all the Jokers Cards have fallen with spectacular array, so when the Wraith is calling, walk into the light, right.

The crows have overlooked, we gave you all they gave, the carousel will spin on through the night. In Oz I'd be the Wizard, 'cause I'm overwhelmed, but we hoped the Jokers Cards would point you out to the light /So you will be tight/ Right

With tilt-a-whirls and merry goes', and carnivals of Faygo, were just trying to tell you about the light, right. Now all the Jokers Cards have fallen with spectacular array, so when the Wraith is calling, walk into the light, right.
