

Inside Out, Burning Fight

I'll reach out my hand and you'll turn the other way.

I'm only trying to extend myself, to communicate.

I try and I try and I try, there's no response from you.

So now I refuse to waste my, waste my time, to waste my fucking time on you.

I refuse to let myself down by falsely putting judgement on you.

To make myself look higher, higher - only to be knocked down by the truth.

I will never choose a different path; I will never turn away from you.

Your attitude is an example of this, which has become for me a Burning Fight.

Not to change your opinion of me; but to try to help you see what's right.

And I will never choose a different path; ya I will never turn away from you.

I will never choose a different path; and I will never fucking be like you!

Ya, it's my Burning Fight, my Burning Fight.

This is my Burning Fight, my Burning Fight.
