

Interference, Wild Cat Strutting Thing

Wild cat strutting thing
Pride of lions feeding thing
A history of hearts loving thing
Wild cat strutting.

Burn baby burn
Turn baby turn

So I set here and ordered a jelly roll.
Said my life is black as coffee to the cup it flows.
If I go down for a while
I soon start to smile
I resurface with the turning of the tide.

Cause baby Im a wild cat chorus

So I sit here a pondering of my fate.
Ill test the tempter and Ill tackle any test.
Im gonna head to port
Im gonna set my sail
Catch the wind, split the waves and head to another shore.

Baby Im a wild cat chorus

Burn baby burn
Turn baby turn
