

Internal Suffering, Beyond The Mystic Portal Of M

Condemned to perish - dismal spiritual imprudence
Emerging to cross the passage - entering the evil domain of GANZIR
Gatewatcher - invoked by conjuration...
BARRA MASS SSARATU! BARRA!
Daemonic forces - draining life
Another dimension - astral horror!
"Beyond the mystic portal of madness
The ethereal void...
Shall remain!";
Entrance to the ABSU... obstructed!
To pass the Vortex... forbidden!
Power gained... to absorb energy!
Key of the infernal world... obtained!
"Beyond the mystic portal of madness
Thousands of warrior demons
Wait for mortal souls to devour...
Eternally!";
