

# Internal Suffering, Evocation Of The Secret Gate

Opening this secret Gate to awake the Power!  
In the mighty name of Thelema!  
Standing before this hidden door... Highest Evocation!  
I AWAKE THE SIGHT!  
I AWAKE THE MIGHT!  
GIVE ME INSIGHT  
SWING OPEN THE GATE!  
I command by my will that I am a Magician Great!  
The Universe IS MINE... I enter this portal!  
Stepping forth... I absorb the FORCE!  
Crossing the secret barrier... I AM IMMORTAL!  
I command the LEGION... I rule the region!  
Let the winds stir the waters to awake hidden... wisdom!  
Striking the soil with my spear  
I claim domination in this sphere!  
A center of Power... I arise as a God!  
Awaking the force!  
Establishing the new throne!  
Tremendous energy is now my name... SUPREME!  
[x2]  
I AWAKE THE SIGHT!  
I AWAKE THE MIGHT!  
GIVE ME INSIGHT  
SWING OPEN THE GATE!  
I close the door but not the link... oh!... my energy... shall never sink!  
Thelema is the word, the key that opens this Gate... that increases my power!  
Titanic force... empowers my being!  
Immense, colossal... my body regenerates!  
My gain... infinite power!  
Mine to reign again... The Universe!  
Awaking the force!  
Establishing the new throne!  
Tremendous energy is now my name... SUPREME! [x2]
