

Interpol, Precipitate

Precipitate

Good bad, Saturn makes your mind break in pieces
Good bad, so you cannot find the dimensions
and it will be around these spots that I've given to you
you will know that you breathe my vapours every time that you pass through this room
pass through this room
walk through my gloom

Daphne you find me

Daphne, when you find me let the blood drive and come alive with me Daphne,
symmetry you can't help but admire or rejoice from this sister
be bad, Saturn makes your mind break in pieces

Good bad, so you cannot find the conventions
it will be around these spots that I've given to you
you will know that you breathe my vapours every time that you pass through this room
pass through this room
walk through my gloom

Daphne you find me

Daphne you find me to put you were inside you fight for my memory Daphne symmetry you can't h
Daphne come as on display will you find a way to draw the curtains of damp around your blushing

blushing ambition...

I found you inside my mind
I lost you inside my mind
I found you inside my mind
I lost you inside my mind

I was a child I was a vice a coyote, conditions occasions facts
I was a child I was a vice a coyote, conditions occasions facts

erase them all perhaps
erase them all
erase them all perhaps
my own thing, my own thing

now you're all that I have here
now we can't remember
but you could fall back on lust when you've learnt to wait
they can be like the friends and neighbours you will get to appreciate them

I have inside me some strange glow
still enjoying this that's why I made a mess
still enjoying this that's why I made a mess
that's why I made a mess
