Shh C'mon, c'mon

My best friend's a butcher, he has sixteen knives He carries them all over the town at least he tries. Oh look it stopped snowing. My best friend's from Poland and,um,he has a beard. But they caught him with his case in that public place That is what we had feared

He severed segments secretly you like that He always took the time to speak with me I liked him for that He severed segments so secretly you liked that He always took the time, he always took the time

C'mon now, pussycat

My friend's a butcher,he has sixteen knives He carries them all over the town,at least he tries, Oh look it stopped snowing. My best friend's from Poland and,um,he has a beard But they caught him with his case in that public place That is what we had feared

He severed segments secretly you like that He always took the time to speak with me, I liked him for that He severed segments so secretly you like that. He was growing on me. He was growing on me.
