

Interpol, Strangers In The Night

It's way too late / To be this locked inside ourselves
The trouble is / That you're in love with someone else / It should be me / It should be me

The secret parts / Your get aways / You crumble up / On summerdays / Time to leave / ?

This is how it goes dear / Running through my life / This is how it goes dear

Saturdays / You know exactly how I feel
I had my doubts little girl / Our love was something real / It could be me / That has to change

This is how it goes dear / Running through my life / This is how it goes dear / Waiting for my wife

Wanna hold you like a doll / ? / Wanna hold you like a doll / A doll is raised / Oh how I love you

Oh in the evenings / When we are sleeping / We are sleeping / We are sleeping

This is how it goes dear / Running through my life / This is how it gets dear / Waiting for my wife

Hold me now / I'll hold you like a doll / ?????
