

# Inva Mulla Tchako, Il Duce Suono (English)

The sweet sound  
Of his voice I hear! That voice  
So deeply embedded in my heart!...  
Edgar! I'm yours again;  
Edgar! Ah! My Edgar!  
Yes, I'm yours again!  
I've escaped from your enemies...  
There's a chill in my bosom!...  
Every fibre trembles!...My foot's unsteady...  
Sit with me near the fountain.  
Yes, sit with me near the fountain...
