

# INXS, Devil Inside

Here comes the woman  
With the look in her eye  
Raised on leather  
With flesh on her mind  
Words as weapons sharper than knives  
Makes you wonder how the other half die  
Other half die

Here come the man  
With the look in his eye  
Fed on nothing  
But full of pride  
Look at them go  
Look at them kick  
Makes you wonder how the other half live

The devil inside  
The devil inside  
Every single one of us the devil inside

The devil inside  
The devil inside  
Every single one of us the devil inside

Here come the world  
With the look in its eye  
Future uncertain but certainly slight  
Look at the faces  
Listen to the bells  
It's hard to believe we need a place called hell
