

INXS, Hear That Sound

So your time has come
Children watch the fools
Don't let anyone tell you
What you must do

Do you like what you see
Or does it make you cry
Use your imagination
And start a fire

Hear that sound
There's a voice to be found
Making changes go round
Hear that sound

And my selfish ways
Disappeared one day
With the realization
Of a new way

Images of the free
Coming into view
Our hearts full of promises
Of all we can do

Hear that sound
There's a voice to be found
Making changes go round
Hear that sound

So your time has come
Children watch the fools
Don't let anyone tell you
What you must do

Do you like what you see
Or does it make you cry
Use your imagination
And start a fire

Hear that sound
There's a voice to be found
Making changes go round
Hear that sound

Hear that sound
There's a voice to be found
Making changes go round
Hear that sound
