

INXS, Not Enough Time

And I was lost for words
In your arms
Attempting to make sense
Of my aching heart
If I could just be
Everything and everyone to you
This life would just be so easy

Not enough time for all
That I want for you
Not enough time for every kiss
And every touch and all the nights
I wanna be inside you

We will make time stop
For the two of us
Make time stop
And listen for our sighs

Not enough time for all
That I want for you
Not enough time for every kiss
And every touch and all the nights
I wanna be inside you

In our fight against the end
Making love we are immortal
We are the last two left on earth
And I was lost for words
In your arms
Attempting to make sense of
My aching heart
If I could just be everything
And everyone to you

Not enough time for all
That I want for you
Not enough time for every kiss
Not enough time for all my love
Not enough time for every touch

Not enough time for all
That I want for you
Not enough time for every kiss
And every touch and all the nights
I wanna be inside you
