

# INXS, Not Enough Time

And I was lost for words  
In your arms  
Attempting to make sense  
Of my aching heart  
If I could just be  
Everything and everyone to you  
This life would just be so easy

Not enough time for all  
That I want for you  
Not enough time for every kiss  
And every touch and all the nights  
I wanna be inside you

We will make time stop  
For the two of us  
Make time stop  
And listen for our sighs

Not enough time for all  
That I want for you  
Not enough time for every kiss  
And every touch and all the nights  
I wanna be inside you

In our fight against the end  
Making love we are immortal  
We are the last two left on earth  
And I was lost for words  
In your arms  
Attempting to make sense of  
My aching heart  
If I could just be everything  
And everyone to you

Not enough time for all  
That I want for you  
Not enough time for every kiss  
Not enough time for all my love  
Not enough time for every touch

Not enough time for all  
That I want for you  
Not enough time for every kiss  
And every touch and all the nights  
I wanna be inside you
