

# INXS, This Time

I will believe you  
If you say it's true  
Girl you know I need you more than any  
Word spoken  
I've seen you before  
Turn and walk away  
You say you won't come back  
It's a game anyway

We are hoping - yes we are praying  
This time will be the last time  
That we will fight like this

We are always wanting  
Things we cannot find  
You know that we are always wasting  
Time

You know I can forget  
We have fought before  
I've seen inside your heart  
And I know it's breaking
