

Irma, Save Me

When the sun goes down
When the night breaks the charm
That once brought me to you
This will be the last time we kiss
Don't kiss me out of her
Cause soon I'll be gone, baby

Save me, save me, save me,
Save me from this...
/2x

Don't cover your ears
Don't cover my eyes
I want to see the light
Lay down my heart at your feet
Let it go, let it sleep
Cause it cried, and it cried, and it cried, and it cried...

Save me, save me, save me,
Save me from this...
/4x

It's not good for me
You're not good for me
You're not good for me...
Somebody save me, save me, save me, save me from your...

Save me, save me, save me,
Save me from your...
