

Iron Butterfly, Flower & Beads

Girl I just know I love ya now...

Flowers and beads are one thing,
But having a girl is something.
That's if you got a girl who loves you,
And thinks the whole wide world of you.
Flowers and beads are one thing,
But having you girl that's something.
That's 'cause I know you love me only,
And that you'll never leave my hear lonely.

Chorus: girl, he just knows he loves you now.

You're all I talk about and ev'rything I say and,
Girl, I just know I love you now.
Girl, I love ya, I love you and need you in my lifetime.

Girl, I just know I love you,
Don't you think my love is true?
Girl, I just know I want you,
Don't you think my love is true?

Flowers and beads are one thing,
But having a girl is something.
That's if you got a girl who loves you,
And thinks the whole wide world of you.
Flowers and beads are one thing,
But having you girl that's something.
That's 'cause I know you love me only,
And that you'll never leave my hear lonely.

Chorus: girl, he just knows he loves you now.

You're all I talk about and ev'rything I say and,
Girl, I just know I love you now.
Girl, I love ya, I love you and need you in my lifetime.

Girl, I just know I love you,
Don't you think my love is true?
Girl, I just know I want you,
Don't you think my love is true?

Girl I just know I want you
Don't you think that my love is true?
