

Iron Maiden, Fear Is The Key

(Dickinson/Gers)

We live our lives in fever
In chooking sweat of fear
In the heart of the night you can feel so much
In the heat of the night I scream "Don't touch";

[Chorus:]

I remember a time when we used and abused
And we fought all our battles in vain
I remember a time we thought that passion was free
In the heart of the night... bodies aflame

We live in fever...

I hear your secret heartbeat
I can hear your silent cries
The kids have lost their freedom
And nobodey cares till somebodey famous dies...

[Chorus]

Now we live, in a world of uncertainty
Fear is the key - to what you want to be
You don't get a say the majority gets it's way
You're outnumbered by the bastards till the day you die...
