

# Iron Maiden, From Here To Eternity

(Harris)

She fell in love with his greasy machine  
She leaned over wiped his kickstart clean  
She'd never seen the beast before  
But she left there wanting more more more

But when she was walking on down the road  
She heard a sound that made her heart explode  
He whispered to her to get on the back  
"I'll take you on ride from here to eternity"

[Chorus:]

Hell ain't a bad place  
Hell is from here to eternity  
Hell ain't a bad place  
Hell is from here to eternity

She must be having one of her crazy dreams  
She'd never sat on a piece so mean  
It vvmade her feel like's she's on cloud nine  
She even thought she heard the engine sign

But like all dreams that come to an end  
They took a tumble at the devil's bend  
The beast and Charlotte they were two of a kind  
They'd always take the line... from here to eternity

[Chorus]
