

# Iron Maiden, King Of Twilight

(Nektar)

[Originally "Crying In The Dark" and "King Of Twilight" by Nektar]

[Crying In The Dark]

I've been trying, trying so hard  
I've been crying, crying in the dark  
Don't forsake me, the time of mine is near  
Don't ever break me and the world that brought me here

Sick and lonely, waiting for you  
Sick and lonely, wondering what to do  
Can you hear me, when I say to you  
You give me your hand, I'll give mine to you

[King Of Twilight]

When the king of twilight shows me  
I will take ten steps to see  
Forty leaves I pay for freedom

For a chance to be free  
For a chance to be free

When the king of twilight calls you  
take a step and you will see  
We all need a quick solution

For a chance to be free  
For a chance to be free  
Free

When the king of twilight shows me  
I will take ten steps to see  
Forty leaves I pay for freedom

For a chance to be free  
For a chance to be...  
Free
