

# Iron Maiden, The Apparition

(Harris/Gers)

Now I'm here can you see me  
'Cos I'm out on my own  
When the room goes cold tell me you can feel me  
.....'cos I'm here

Here I am, can you see me  
Passing through, on my way  
To a place I'd been to only in my dreams... before

In a world of delusion  
Never turn your back on a friend  
'Cause you can count your real true friends on one hand  
.....through life

There are those that deceive you  
There are those That'll let you down  
Is there someone out there that would die for you  
.....thought not

Live your life with a passion  
Everything you do, do well  
You only get out of life what you put in  
.....so they say

In a world of confusion  
People never say that what they mean  
If you want a straight answer go look for one  
.....right now

In a room full of strangers  
Do you stand with your back to the wall  
Do you sometimes feel like you're on the outside  
.....looking in ?

You can make your own luck  
You create your destiny  
I believe you have the power if you want to  
.....it's true

You can do what you want to  
If you try a little bit harder  
A little bit of faith goes a long way  
.....it does

Are we here for a reason ?  
I'd like to know just what you think  
It would be nice to know what happened when we die  
.....wouldn't it ?

There are some who are wise  
There are some who are born naive  
I believe that there are some that must have lived before  
.....don't you ?

As for me, well I'm thinking  
You gotta keep an open mind  
But I hope that my life's not an open and shut case.

Extra Sensory Perception  
Life After Death, telepathy  
Can the soul live on and travel through space and time ?

You know I feel so clated  
'Cause I'm about to find it out  
And when I know all the answers  
Maybe then I'll come back  
.....to feel you in

You don't be alarmed now  
If I try to contact you  
If things go missing or get moved around ...it's me

And don't disbelieve it  
No matter what your `friends' might say  
We'll meet up again some place some way  
.....one day
