

Isley Brothers, I Need Your Body

Girl, I seen you around almost every day
I look you up and down every time you pass my way
Baby, don't you realize just what you do to me
Oh, I'm so hypnotized, I can't hardly see

If you ever wanna need someone
I forever wanna be the only one in your life
(I need your body) Oh, baby
(I need your body) Oh, darlin'

If you ever wanna need someone
I forever wanna be the only one in your life
(I need your body) Yeah, yeah, yeah

If you're free tonight I'd love to take you home
You understand that I don't wanna spend the night alone
It would be like paradise makin' love to you, yeah
Well, don't you think it's time I got into you, whoa, oh, oh

If you ever wanna need someone
I forever wanna be the only one in your life
(I need your body) Yeah, yeah
(I need your body) Oh, darlin'

If you ever wanna need someone
I forever wanna be the only one in your life
(I need your body) Yeah, yeah

Why don't you stay with me, I'm livin' in a fantasy, yeah
Oh, tell me what you want, tell what you need
Why don't you stay-stay with me, I'm livin' in a fantasy, yeah
Girl, tell me what you want, tell what you need, oh, oh, oh

If you ever wanna need someone
I forever wanna be the only one in your life
(I need your body) Yeah, baby
(I need your body) Oh, darlin'

If you ever wanna need someone
I wanna be in your life
(I need your body) Oh, baby
(I need your body), oh, darlin'

You're so bad, baby, I wanna be in your life
(I need your body) Uh-huh
(I need your body) Don't walk away, baby

I wanna be in your life
(I need your body)
(I need your body) Oh, baby

(I need your body)
(I need your body) Oh, baby

You know, it's not every day (I need your body)
That you meet someone (I need your body) who has everything (Oh, darlin')
Come here, baby (I need your body)
Somethin' I want, something I want to say (I need your body) (Oh, darlin')
I think I love you, darlin'
Alright (I need your body)
(I need your body) You look so good to me (Oh, baby)
You look so good to me, baby
Alright (I need your body)
(I need your body) (Oh, baby)

(I need your body)
(I need your body)
