

Issues, The Saturdays

Sometimes
I feel like im going out of
My mind,
Boy the way you do me is a
Damn crime,
But then you smile at me
And its alright,
With you there ain't no inbetween...
Everytime that i walk out the door
I tell myself i can't take it no more
Theres a part of me won't let you go
I keep sayin' yes when my minds sayin no..
Me and my heart we got issues
Don't know if i should hate you or miss you
Damn i wish that i could resist you
Can't decide if i should slap you or kiss you,
Me and my heart we got issues,issues,issues
We got issues issues issues.
Its awful, boy you leave me hangin for so long
You empty out my love until its all gone
You change the words but still its the same song
Im tired of the melody
Change my number and throw out your clothes
But my feelings for you, they still show
I keep building the walls round my heart
But then i see you it all falls apart...
Me and my heart we got issues
Don't know if i should hate you or miss you
Damn i wish that i could resist you
Can't decide if i should slap you or kiss you,
Me and my heart we got issues,issues,issues
We got issues issues issues.
Wanna fight it, can't hide it
Truth is i think i like it
But in future, illusion
Still i don't know which way to go.....chorus:
Me and my heart we got issues
Don't know if i should hate you or miss you
Damn i wish that i could resist you
Can't decide if i should slap you or kiss you,
Me and my heart we got issues
Don't know if i should hate you or miss you
Damn i wish that i could resist you
Can't decide if i should slap you or kiss you,
Me and my heart we got issues
Me and my heart we got issues, issues
We got issues, issues, issues
We got issues, issues, issues
We got issues, issues, issues,
Me and my heart we got issues
Don't know if i should hate you or miss you
Me and my heart we got issues.....x
