

Iveta Mukuchyan (Iweta Mukuczian), LoveWave (

Hey, it's me

Look, I know it might sound strange but suddenly I'm not the same I used to be

It's like I've stepped out of space and time and come alive

Guess this is what it's all about, 'cause...

When it touched me the world went silent

Calm before the storm reaches me

The ground in motion set off all sirens

You took over my heartbeat... beat... beat... beat...

It's taking over me!

You

Shook my life like an earthquake now I'm waking up

You

Gave me faith now I can break every single wall

You

Prove we can do it all when all is out of love

You (oh, like a lovewave)

Spread a lovewave and my heart goes ba-ba-da-bu-whoa-oh-oh

Caught in a downward spiral

I lost my soul in my dreams

I would give up and lose all trials

When one moment changed everything

Without even a single warning

I'm not who I was before

A chain reaction with no returning

Now watch me craving for more

It's taking over me!

It's taking, it's taking over me!

You (you're like a lovewave)

Shook my life like an earthquake now I'm waking up

You (like a lovewave)

Gave me faith now I can break every single wall

You (you're like a lovewave)

Prove we can do it all when all is out of love

You (oh yeah)

Spread a lovewave and my heart goes ba-ba-da-bu-whoa-oh-oh
