

Ivete Sangalo, Se Eu N?o Te Amasse Tanto Assim

Meu corao, sem direo
Voando sô por voar
Sem saber onde chegar
Sonhando em te encontrar
E as estrelas
Que hoje eu descobri no seu olhar
As estrelas vo me guiar...

Se eu no te amasse tanto assim
Talvez perdesse os sonhos dentro de mim
E vivesse na escurido
Se eu no te amasse tanto assim
Talvez no visse flores por onde eu vim
Dentro do meu corao

Hoje eu sei, eu te amei
No vento de um temporal
Mas fui mais, muito alm
Do tempo do vendaval
Dos desejos
De um beijo que eu jamais provei igual
E as estrelas do o sinal...

Se eu no te amasse tanto assim
Talvez perdesse os sonhos dentro de mim
E vivesse na escurido
Se eu no te amasse tanto assim
Talvez no visse flores por onde eu vim
Dentro do meu corao

This adrift heart of mine
Flying for the sake of it
Not knowing where to arrive
Dreaming of meeting you
And the stars
I've discovered today inside your eyes
Those stars are guiding me...

If I didn't love you so much
Maybe I'd lose all the dreams inside of me
And live in the darkness
If I didn't love you so much
Maybe I'd not have seen flowers along my way
Inside of my heart

Now I know, I've loved you
Inside the wind of a storm
But I've come much beyond
The duration of the gale
Of the wishing
For a kiss I have never tasted like
And those stars show me the signs...

If I didn't love you so much
Maybe I'd lose all the dreams inside of me
And live in the darkness
If I didn't love you so much
Maybe I'd not have seen flowers along my way
Inside of my heart
