

Ivy Levan, Money

They say I shot a man down for not picking up the check
What they don't know, it won't hurt 'em
So keep moving down the line
Just cause I like my diamonds bright
Ain't saying I'm wrong or if it's right
But baby I've never been wrong before

Cash is everything I need so show me the money
Cash is everything I need so give it to me honey
Oh what you see is what you get
And you ain't seen nothing yet

They say I broke a man down for not giving me respect
Should have spent more cause I'm worth it
I just ain't got the time
You better choose your battles wise
Shoot when you see whites of their eyes
Oh baby I wish you had the dough
But you don't

Cash is everything I need so show me the money
Cash is everything I need so give it to me honey
Oh what you see is what you get
And you ain't seen nothing yet

Daddy ain't got no cash
Daddy go six foot deep
Daddy ain't got no green
Daddy gotta go asleep

Daddy ain't got no cash
Daddy gotta go six deep
Daddy ain't go no green
Daddy gotta go asleep

Cash is everything I need so show me the money
Cash is everything I need so give it to me honey
Oh what you see is what you get
And you ain't seen nothing yet

Cash is everything I need so show me the money
Cash is everything I need so give it to me honey
Oh what you see is what you get
And you ain't seen nothing yet
