

# Iza Lach, Yellow Brick Road

It comes and goes  
Life as we know  
But there's a place  
Where everything works  
I don't know where  
I'll need you there

I'll come straight into your arms  
I'm going on and on and on  
Trying to find the right way  
I'm so close, on and on  
I'm going on and on and on  
Trying to find the right way

I guess I should follow the road, the yellow brick road  
The one that can lead me to your endless love  
No matter how hard can be at the times  
Won't ever give up 'cause love is  
The most important thing in my life
