

Izzy Stradlin, Hometown

Why you left here
it's your hometown
you'll always come back
to your hometown
Hometown, Hometown, Hometown, Hometown
things look so weird
in your hometown
things feel so good
in your hometown
Hometown, Hometown, Hometown, Hometown
don't put it down
cause you'll maybe go back
say go man go
don't put it down
cause you'll maybe go back
say go man go
I got some friends
in my hometown
I got some family
in my hometown
Hometown, Hometown, Hometown, Hometown Hometown, Hometown,
Hometown, Hometown
don't put it down
cause you'll maybe go back
say go man go
don't put it down
cause you'll maybe go back
say go man go
don't put it down
cause you'll maybe go back
say go man go
don't put it down
cause you'll maybe go back
go, go, go, go, go, go....
