

# Izzy Stradlin, Hometown

Why you left here  
it's your hometown  
you'll always come back  
to your hometown  
Hometown, Hometown, Hometown, Hometown  
things look so weird  
in your hometown  
things feel so good  
in your hometown  
Hometown, Hometown, Hometown, Hometown  
don't put it down  
cause you'll maybe go back  
say go man go  
don't put it down  
cause you'll maybe go back  
say go man go  
I got some friends  
in my hometown  
I got some family  
in my hometown  
Hometown, Hometown, Hometown, Hometown Hometown, Hometown,  
Hometown, Hometown  
don't put it down  
cause you'll maybe go back  
say go man go  
don't put it down  
cause you'll maybe go back  
say go man go  
don't put it down  
cause you'll maybe go back  
say go man go  
don't put it down  
cause you'll maybe go back  
go, go, go, go, go, go....
