

# J.J. Cale, Blues For Mama

(J.J. Cale)

Blues for Mama

Blues for Mama

It just seems wrong, to sing this song  
'cos she's not here, where she belongs

Blues for Mama

Blues for Mama

Rest her soul, she's grown so cold

Her touch is like the winter snow

Blues for Mama

Blues for Mama

She went away only yesterday

I cound't help

What can I say

Blues for Mama

Blues for Mama

Blues for Mama

Blues for Mama

She made her run

She can't be done

She's the only one

Blues for Mama

Blues for Mama
