

# J.J. Cale, Hard Love

(J.J. Cale)

Shirley down the street she gets so lonesome  
She calls around to men on the phone, some  
Hopin' one will show up at her door  
She don't care, just where they come from  
Where they've been, just if they want some  
Give it to her straight, she want to score  
She needs hard love  
Hard love  
She wants a hard love, just to make her day  
Handsome Bill sales cars for a livin'  
He's not the takin' kind, he's the givin'  
He likes his women real firm, and real tight  
Bill don't want no conversations, small talk or consultations  
He don't want no long relation just one night  
He needs a hard love  
He wants a hard love  
He needs a hard love, to make his day  
Chances are if you're feeling lonely  
And you miss your one and only  
You'll only care for that easy exercise  
You know what I'm talkin' about  
That no feeling in and out  
You gonna have to improvise  
If you want a hard love  
You need a hard love  
Hard love
