

J.J. Cale, It's Good To Be In Austin

It's good to be in Austin, Texas again
It's good to be in Austin
My old friends
Awaiting for this moment
It's all come true
It's good to be in Austin, Texas with you

Come down
Colorado ways
Austin has got a feeling
What more can I say
Awaiting for this moment
It's all come true
It's good to be in Austin, Texas with you

Yes I waited for this moment
It's all come true
It's good to be in Austin, Texas with you
