

# J.J. Cale, Katy Kool Lady

Sure do miss you babe  
You know it's been a while  
Way too long, since you been gone  
I'm almost out of style

You treat me kind and gentle  
You're always on my mind  
A love that's true, I keep for you  
Until the end of time

Someday you've got to come back  
Stay with me a while  
I'll take some time, to make you mine  
And keep you out of style
