

J.J. Cale, Mo Jo

(M. Morganfield)

I've got my mojo working but it just don't work on you
I've got my mojo working but it just don't work on you
I done tried it in New York city, now I'm gonna try it out on you
I've got my mojo working
I've got my mojo working
Lord, I've got my mojo working
I've got my mojo working
I've got my mojo working, it just don't work on you
