

# J.J. Cale, Rock And Roll Records

(J.J. Cale)

I make rock 'n' roll records  
I sell 'em for a dime  
I make my living and feed my children  
All in good time  
The blues they go for a quarter  
Guaranteed to satisfy  
It's a real funky deal  
Don't let it pass you by  
If your evening sun don't shine, my friend  
Tell you what I'm gonna do I'm gonna hammer out this rhythm  
Till I get right next to you
