

# J.J. Cale, Soulin'

(J.J. Cale)

I sure like your movin'  
It's got me to groovin'  
I can't wait a minute  
You can't condescendin'  
Your slow rollin', rollin'  
You got me to soulin'  
It's worth more than money  
So get down on it, honey  
Just keep right on cookin'  
You know I'm a-lookin'  
It's worth more than money  
So get down on it, honey  
I sure like your movin'  
It's got me to groovin'  
Your slow rollin', rollin'  
You got me to soulin'
